- Earth Leakage & Failures
- Electrical Fence
- Solar Power System & UPS
- New Installation, DB Boards & Circuit Breakers
- COC's – Certification of Compliance

WHY CHOOSE US ?

There are hundreds of companies to choose from. Finding one you can count on and build a relationship with for the long term is a difficult task. Here are some reasons why you have made the best decision for your company by choosing us .

- Master DEYE Installer
- We meet all legal and professional requirements
- Certified Electrician
- Extensive Knowledge
- Customer Support
- TRUSTWORTHY

Using the highest ethical standards, we promise to provide the best electrical solutions for our customers through QUALITY, VALUE, and SERVICE. We strive to implement a long term relationship with our customers, based on safety, prompt service, and anticipating our customers needs.

Customer Focus Our goal is to provide value added service to every customer to become the contractor of choice for contractors and owners needing quality electrical services. A repeat customer relationship through confidence in our service and capabilities is the ultimate goal.

Excellence We strive to maintain the highest quality and efficiency in our work through the constant pursuit of improvement of our team and our processes in order to surpass the expectations of our customers.

Integrity Building lasting relationships through honesty, respect, and trust with our customers, employees, and community. We expect the entire Blue Light Electrical team to display these same high principals.

To be the leader in the electrical contracting industry in fostering opportunities for all of our employees and their families through growth, training, mentoring, and open communication
